

Joint Distribution of School bag by all Rotary clubs in Bahrain

In the theme of "Children is our Future", all of the Rotary clubs in Bahrain and the Rotaract club of Bahrain participated in a joint distribution of school bags to the many charities societies in Bahrain. The inspiration came when one of the members heard how the orphans in Bahrain can't afford a school bag. The members felt this project was too large for one club to participate alone. So all three clubs, Rotary club of Sulmaniya, Rotary club of Adliya, Rotary club of Manama and the Rotaract club of Bahrain jointly distributed school bags.

A Total number of 600 school bags were distributed to the following Charities:

- Al Sanabel Orphan care Society,
- Bani Jamra,
- Barbar Charity Society,
- Tree of life Charity Society,
- Al Hedaya Society Association,
- Riffa Woman Culture and charity society,
- Dar Batelco
- Capital Charity Association
- and Bahrain Charity Society
